Can I go to
the toilet?

Can I close
the window?

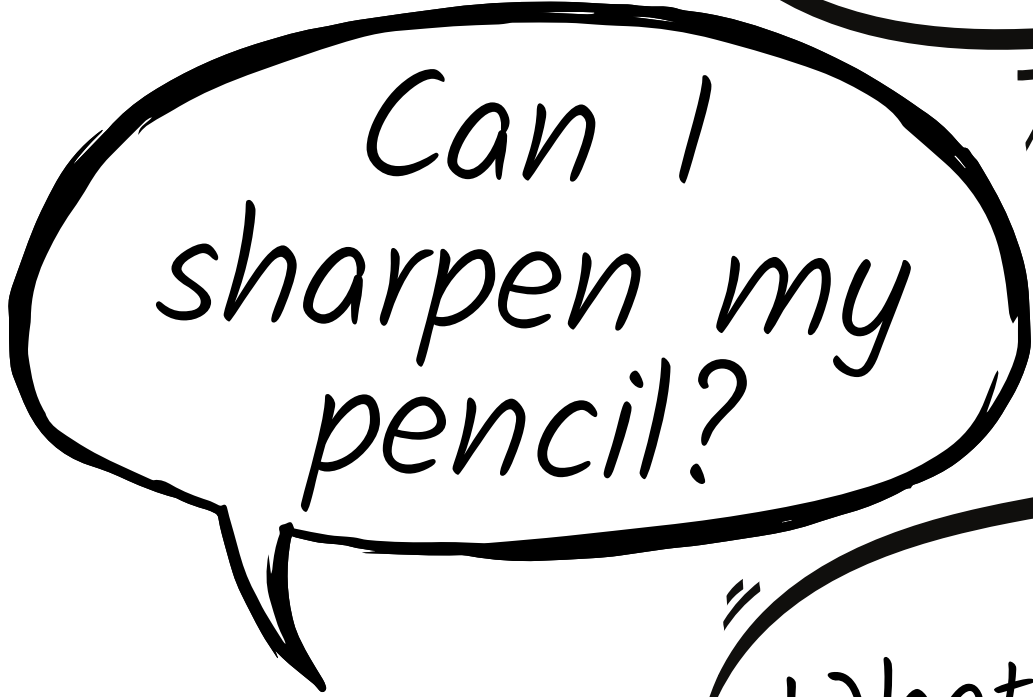

Can I answer
the question?

Can I open
the window?

Can you help me please?

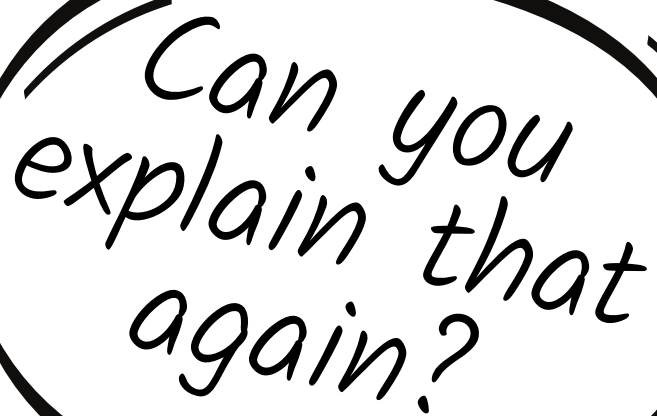

Can I sharpen my pencil?

What page are we on?

Can you speak louder, please?

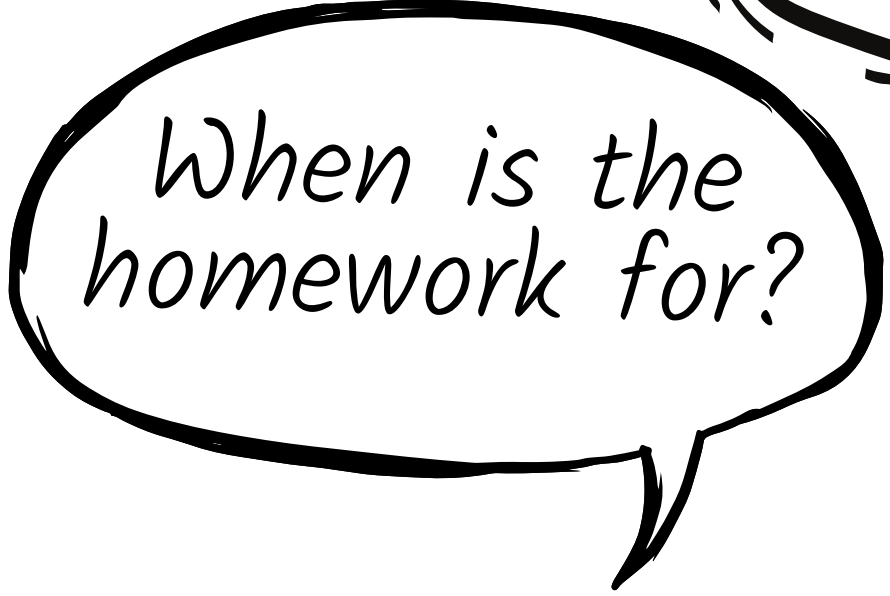

Can you explain that again?

Do we have to write it down?

Can we pack our things now?

When is the homework for?

Can I
switch on
the lights?

Can I switch
off the lights?

What does
...
mean?

Sorry for
being late.
